

1 not sufficient **2** beginning to meet
3 meeting (*just doing something without changes*)
4 exceeding level 1 **5** exceeding level 2

Coding 30%					
Style - Comments, Indenting - To exceed, you need to add your own comments in addition to comments that may already be in the canned code	1	2	3	4	5
Functioning (does it work?)	1	2	3	4	5
Modifications and extensions made - Just using the 'canned' code is 3 Adding the sound code to the interactive traffic light is 4 (Askmanual page 34)	1	2	3	4	5

Circuits 30%					
Level of Complexity - The melody maker is 1 (Askmanual page 71) - The interactive traffic light is 3 (Askmanual page 34)	1	2	3	4	5
Functioning (does it work?)	1	2	3	4	5
Modifications and extensions made Interactive traffic light with sound is 4	1	2	3	4	5

Journal 25%					
Daily log of what you did (using a Google Doc or Word Doc)	1	2	3	4	5
ALL references are listed	1	2	3	4	5
Modifications and extensions made - Using just a document is 3 - Using inline images and links is 4 - Adding videos would give you 5 (or links to videos)	1	2	3	4	5

Individual 15%					
Day to day use of class time	1	2	3	4	5
Questions asked of you	1	2	3	4	5
Questions asked by you	1	2	3	4	5
